Newsletter

December 2023

We end the 2022-2023 program year with the last three events and newsletter. We will be breaking for the holidays but look for us in the New Year! Best wishes for a safe and joyous holiday and a prosperous New Year!

Participants learned about density in the Saturday Science Club. Working as a team the participants poured four different liquids into a test tube and dropped in six items to test the density. Afterwards, the wildlife for the day were bullfrogs and tree frogs. Who knew that frogs absorb water through their skin, not by drinking with their mouth or that they digest their food by closing their eyes.

Thanks to the volunteers from the Greer Sewing Guild (Aversa Radford & Evelyn Dungey) participants enjoyed a waffle and sausage breakfast. The day was busy with making many holiday crafts (stockings, gingerbread house, wreath with blinking lights, gingerbread man tree ornaments, clear ornament bulb, and flower arrangements. After a hardy lunch from Smokey Bones, Moses the Service Dog made an appearance with his owner & trainer Michael Gilbert. The participants learned about the care and importance of service animals. Each participant took home a bag with their holiday crafts and extra crafts to share with their family.

Thanks to Bennie Boyd, George Walker, Aversa Radford, Evelyn Dungey, June Newsome, Trayvon Speed, Aaron Abbott, Laura Dillion and Michael Gilbert for making the Holiday Celebration a fun-filled day and a big success!

HAPPY HOLIDAY & HAPPY NEW YEAR!
